Dallas, Texas 75235

Attn: Jason N. Craven, President & CEO

Dear Mr. Craven:

Thank you for providing your expertise and leadership for St. Johns School Crusader Club and two of your wonderful employees for the awesome work performed in our school Courtyard last weekend. The installed pavers, planted bushes and flowers, and nicely shaped pea gravel bed brought color and life to our learning environment. The beautiful stepping stones that the children made and the entire courtyard have gotten many compliments from the Reinhardt parents, students, and staff.

Our 5<sup>th</sup> grade boys and girls have volunteered and are dedicated to working in the Courtyard weekly to preserve the beauty that you have created. Thank you again for your time and generous donation to our outdoor classroom.

Most appreciative,

Patsy Preston, Library Media Specialist
